**PETITION FOR EMERGENCY
AND EXPEDITED RELIEF**

Teleconnect Long Distance Services and Systems Company ("Teleconnect"), by and through one of its attorneys, hereby petitions the Illinois Commerce Commission ("Commission") to grant to it the emergency relief requested herein. In support of this petition, Teleconnect states as follows:

1. As a telecommunications carrier subject to the jurisdiction of the Commission, Teleconnect is required to file with the Commission an annual report. Teleconnect is prepared to file the requisite annual report with the Commission once this petition for proprietary treatment is granted.

2. Due to the content and nature of the filings, Teleconnect's annual report will necessarily contain commerce and financial information that is highly sensitive, proprietary, confidential and the type of information which would be of particular interest to Teleconnect's competitors and potential competitors.

3. Because the information that will be contained in Teleconnect's annual report is so competitively sensitive, it is imperative that public disclosure of the proprietary information that

will be contained in its annual report be maintained under seal for a period not less than five years following the issuance of an Order herein by this Commission, since disclosure of this information any earlier would be likely to cause Teleconnect serious competitive harm.

4. Section 7 of the Illinois Freedom of Information Act, 5 ILCS 140/7 (g) (1994) exempts from public disclosure "trade secrets and commercial or financial information . . . where such trade secrets or information are proprietary, privileged or confidential." The annual report that is the subject of this Petition falls within this exemption.

WHEREFORE, Teleconnect Long Distance Services and Systems Company respectfully requests that the Commission issue an expedited Order protecting from disclosure in its entirety for a period of not less than five years Teleconnect's 2002 annual report.

Respectfully submitted,

**Teleconnect Long Distance Services
& Systems Company**
